

Screech Owl is a rock n roll band pulling from American roots, based in Johnstown, PA.

They released their debut EP, *You're Not Welcome*, on October 12, 2024. Recorded on a Friday night and a Saturday morning at the VOMA space, the EP features six originals that they've been honing for the last two years, with several of the songs dating back to their very first practice in mid-2022.

The band is Justin Giuffre on lead guitar and vocals; Mike Giuffre on keys; Micah Mood on drums and vocals; Ryan Stacy on bass; and Chris Verbano on rhythm guitar. They play and have played in a number of bands, but Screech Owl is a unique project for them as they strive to balance songcraft, melody, and the joy of plugging in and playing loud.

You're Not Welcome is streaming now on all the well-known music streaming services, and is also available on compact disc in person at shows, and at screechowlmusic.bandcamp.com
